14. The maximum number of candidates to be admitted to the examination may at the discretion of the Commission be limited to such number as the Commission may decide. If a limit is imposed and the number of candidates exceeds that limit, the Union Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for admission to the Military College.

15. The examination will be conducted by the Commission in the manner prescribed in Appendix II to the Notification.

In the case of candidates who are minors, the required certificate must be signed by their parents or guardians in the form prescribed.

18. Candidates when called for interview by a Services Selection Board, Physical Endurance Tests, Medical Examination or for subsequent training will be eligible for travelling allowance in accordance with the rules then in force. Candidates who have previously been before a Services Selection Board for the same type of Commission are not entitled to travelling allowance on subsequent occasions.

19. Success at the examination confers no right of admission to the College.

A candidate must satisfy the Union Public Service Commission and the appointing authority that he is suitable in all respects for admission to the Military College.

21. Candidates finally selected will undergo a course of training for about two years. Candidates will be enrolled under the Army Act as 'gentlemen cadets'. Gentlemen cadets will be dealt with for ordinary disciplinary purposes under the rules and regulations of the Military College.

22. While the cost of training including accommodation, books, uniforms, boarding and medical treatment, will be borne by Government, candidates will be expected to meet their pocket expenses themselves. The minimum expenses at the Military College are not likely to exceed Rs. 40 per mensem. If a cadet's parent or guardian is unable to meet wholly or partly even this expenditure, financial assistance may be granted by the Government. No cadet whose parent or guardian has an income of Rs. 300 per mensem or above would be eligible for the grant of the financial assistance. The immovable property and other assets and income from all sources are also taken into account for determining the eligibility for financial assistance.

The parent/guardian of a candidate, desirous of having any financial assistance, should immediately after his son/ward has been finally selected for training at the Military College, submit an application through the District Magistrate of his District who will with his recommendation forward the application to the Director of Military Training Army Headquarters, New Delhi.

The Government will accept no liability regarding the result of operation or any expense incurred.

3. Standards for Height, Weight and Chest measurements.

(a) Height—

- (1) The height of a candidate will be measured by making him stand against the standard with his feet together. The weight should be thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity and with the heels, calves,

buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex; of the head level under the horizontal bar, and the height will be recorded in inches and quarter parts thereof.

- (ii) The minimum acceptable height for a candidate is 62 inches except in the case of Gorkha, Nepalese, Assamese and Garhwali candidates in whose case the height in correlation table at (b) (i) below may be reduced by two inches.

(b) Weight—

- (i) Weight will be taken with the candidate fully stripped or with under-pants only. In recording weight, fraction of a lb. will not be noted. A correlation table between age, height and average weight is given below for guidance.

Age last birthday	Height without shoes	Weight	
		Minimum	Maximum
Years	Inches	lbs.	lbs.
17 to 18	62 and under 65 .	96	121
	65 and under 68 .	106	131
	68 and under 72 .	116	141
	72 and upwards .	126	..
19	62½ and under 65 .	98	123
	65 and under 68 .	108	133
	68 and under 70 .	118	143
	70 and under 72 .	128	153
	72 and upwards .	138	..
20 and upwards	62½ and under 65 .	100	125
	65 and under 68 .	110	135
	68 and under 70 .	120	145
	70 and under 72 .	130	155
	72 and upwards .	140	..

- (ii) It is not possible to lay down precise standards for weight in relation to height and age. The correlation table is, therefore, only a guide and cannot be applied universally. A 10 per cent. departure from the average weight given in the table is to be considered as within normal limits. There may nevertheless be some individuals who according to the above standard may be overweight but from the general build of the body are fit in every respect. The overweight in such cases may be due to heavy bones and muscular development and not to obesity. Similarly for those who are under weight, the criteria should be the general build of the body and proportionate development rather than rigid adherence to the standards in the above table.

(c) Chest.—The chest should be well-developed with a minimum range of expansion of 2 inches. The candidate's chest will be measured by making him stand erect with his feet together, and his arms raised over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder-blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side. Care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum and minimum expansions of the chest will be carefully noted. The minimum and maximum will then be recorded in

inches thus $\frac{33}{35}, \frac{34}{36}$ etc.

In recording the measurements, fractions of less than half an inch should not be noted.

4. Dental condition—

It should be ensured that a sufficient number of natural and sound teeth are present for efficient mastication.

- (a) A candidate must have a minimum of 14 dental points to be acceptable. In order to assess the dental condition of an individual, points are allotted as under for teeth in good apposition with corresponding teeth in the other jaw.

- (i) Central incisor, lateral incisor, canine, 1st and 2nd premolar and under-developed 3rd molar 1 point each.
(ii) 1st and 2nd molar and fully developed 3rd molar 2 points each.

When all 32 teeth are present, there will be a total count of 22 points.

- (b) The following teeth in good functional apposition must be present in each jaw:—

- (i) Any 4 of the 6 anteriors.
(ii) Any 6 of the 10 posteriors.

- (c) Candidates suffering from severe pyorrhoea will be rejected. Where the state of pyorrhoea is such that in the opinion of the dental officer it can be cured without extraction of teeth, the candidates may be accepted.

5. Visual Standards—

Standard I

Right Eye	Left Eye
Distant vision V6/6 or J 2	V6/6
Near vision Reads 0.5 or JI	Reads 0.5 or JI

Standard II

Better Eye	Worse Eye
Distant vision V6/6	V/60, without glasses—not below 6/60 and after correction with glasses not below 6/24
Near vision—Reads 0.5 or J-I.	Reads 0.5 or J-I.

Standard III

Better Eye	Worse Eye
Distant Vision—V6/60 correctable to 6/6	V6/60 correctable to 6/24

NOTE 1.—On completion of training at the time of commissioning or in case of direct entrants at the time of commissioning a relaxation of distant vision without glasses may be made and individuals with unaided vision of less than 6/60 in each eye accepted for commission in ASC, AOC, EME, AEC and RVFC provided corrected vision is not less than 6/6 in one eye and 6/18 in the worse eye.

NOTE 2.—Candidates must possess good binocular vision.

Hearing Standard—

Hearing will be tested by speech test. Where required audiometric records will be also taken.

(a) Speech test.—The candidate should be able to hear a forced whisper with each ear separately standing with his back to the examiner at a distance of 20 feet in a reasonably quiet room. The examiner should whisper with the residual air; that is to say at the end of an ordinary expiration.

(b) Audiometric record.—The candidate will have no loss of hearing in either ear at frequencies 128 to 4086 cycles per second. (Audiometry reading between +10 and—10).

When a straight line cuts two other straight lines, if—

(i) a pair of alternate angles are equal, or

(ii) a pair of corresponding angles are equal, or

(iii) a pair of interior angles on the same side of the cutting line are together equal to two right angles, then the two straight lines are parallel; and* the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

Triangles and Rectilinear Figures

The sum of the angles of a triangle is equal to two right angles.

In a polygon of n sides, sum of the interior angles is equal to $2n-4$ right angles.

If the sides of a convex polygon are produced in order, the sum of the angle so formed is equal to four right angles.

*If two triangles have two sides of the one equal to two sides of the other, each to each and also the angles contained by those sides equal, the triangles are congruent.

*If two triangles have two angles of the one equal to two angles of the other, each to each and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

If two sides of a triangle are equal, the angles opposite to these sides are equal, and the converse.

*If two triangles have the three sides of the one equal to the three sides of the other, each to each, the triangles are congruent.

*If two right-angled triangles have their hypotenuses equal, and one side of the one equal to one side of the other, the triangles are congruent.

If two sides of a triangle are unequal, the greater side has the greater angle opposite to it; and the converse.

Of all the straight lines that can be drawn to a given straight line from a given point outside it, the perpendicular is the shortest.

The opposite sides and angles of a parallelogram are equal, each diagonal bisects the parallelogram and the diagonals bisect each other.

If a pair of opposite sides of a quadrilateral are equal and parallel, it is a parallelogram.

The straight line drawn through the middle point of one side of a triangle parallel to another side bisects third side.

The straight line joining the middle points of two sides of a triangle is parallel to the third side, and equal to one half of it.

If there are three or more parallel straight lines and the intercepts made by them on any straight line that cuts them are equal, then the corresponding intercepts on any other straight line that cuts them are also equal.

B(ii)

Areas

Parallelograms on the same base and of the same altitude are equal in area.

Corollary.—The area of a parallelogram is equal to the area of a rectangle on the same base and of the same altitude.

Parallelograms on equal bases and of the same altitude are equal in area.

Triangles on the same or equal bases and of the same altitude are equal in area.

*Equal triangles on the same or equal bases are of the same altitude.

In a right-angled triangle the square described on the hypotenuse is equal to the sum of the squares described on the sides containing the right angle; and the converse.

Loci.—The locus of a point which is equidistant from two fixed points is the perpendicular bisectors of the straight line joining the two fixed points.

The locus of a point which is equidistant from two intersecting straight lines consists of the pair of straight lines which bisect the angles between the two given lines.

The Circle.—A straight line drawn from the centre of a circle to bisect a chord which is not a diameter, is at right angles to the chord; conversely the perpendicular to a chord from the centre bisects the chord.

*There is one circle, and one only, which passes through three given points not in a straight line.

Equal chords of a circle are equidistant from the centre; and the converse.

*The tangent at any point of a circle and the radius through the point are perpendicular to each other.

If two circles touch, the point of contact lies on the straight line through the centres.

The angles which an arc of a circle subtends at the centre is double that which it subtends at any point on the remaining part of the circumference.

Angles in the same segment of a circle are equal, and if the line joining two points subtends equal angles at two other points on the same side of it, the four points lie on a circle.

The angle in a semicircle is a right angle.

The circle described on the hypotenuse of a right-angled triangle as diameter passes through the opposite vertex.

The opposite angles of any quadrilateral inscribed in a circle are supplementary; and the converse.

B(iii)

Areas.—The square on a side of a triangle is greater or less than the sum of the squares on the other two sides, according as the angle contained by those sides is obtuse or acute. The difference is twice the rectangle contained by one of the two sides and the projection on it of the other.

In any triangle the sum of the squares on any two sides is equal to twice the square on half the third side together with twice the square on the Median which bisects the third side.

The Circle.—In equal circles or in the same circle—

* (i) If two arcs subtend equal angles at the Centre they are equal; (ii) conversely, if two arcs are equal they subtend equal angles at the centre.

In equal circles or in the same circle * (i) if two chords are equal, they cut off equal arcs; (ii) conversely, if two arcs are equal, the chords of the arcs are equal.

If a straight line touches a circle, and from the point of contact a chord be drawn, the angles which this chord makes with the tangent are equal to the angles in the alternate segments.

If two chords of a circle intersect either inside or outside the circle the rectangle contained by the parts of the one is equal to the rectangle contained by the parts of the other.

Proportion; Similar Triangles

(Proofs which are applicable only to commensurable magnitudes will be accepted).

If a straight line is drawn parallel to one side of a triangle the other two sides are divided proportionally; and the converse.

* If two triangles are equiangular their corresponding sides are proportional and * the converse.

* If two triangles have one angle of the one equal to one angle of the other and the sides about these equal angles proportional, the triangles are similar.

If a perpendicular is drawn from the right angle of a right-angled triangle to the hypotenuse, the triangles on each side of the perpendicular are similar to the whole triangle and to each other.

The internal bisector of an angle of a triangle divides the opposite side internally in the ratio of the sides containing the angle and likewise the external bisector externally.

The ratio of the areas of similar triangles is equal to the ratio of the squares on corresponding sides.

Elementary Trigonometry

(Questions on Trigonometry will be optional)

(1) Measurement of angles.

Sexagesimal measures and circular or Radial measure. Conversion of circular measures into Sexagesimal measure and *vice versa*.

(2) Trigonometrical ratios for angles less than a right angle.

The following trigonometrical ratios will be considered—

Sine, Cosine, Tangent, Cotangent, secant and Cosecant of an angle.

Values of these trigonometrical ratios for angles of 0, 30, 45, 60 and 90 degrees.

Trigonometrical ratios of angles of any size and sign.

Values of trigonometrical ratios for—

$0^\circ, 90^\circ-0^\circ, -90^\circ-0^\circ, 180^\circ-0^\circ, -180^\circ-0^\circ.$

Ability to read values of trigonometrical ratios or angles from trigonometrical tables.

(4) Application of the trigonometrical ratios in solving simple practical problems in Heights and Distances.

Intelligence and Personality Tests.

In addition to the interview, the candidates will be put to Intelligence Tests designed to assess their basic intelligence both through the medium of language and without the use of language. They will also be put to Group Tests such as Group Discussions, Group Planning Outdoor Tasks performed in a group and Lecturettes. All these tests are intended to judge the qualities of a candidate which may be broadly summed up as an assessment of his mental calibre which would include not only his intellectual qualities but also social traits and his interest in current affairs.

APPENDIX III

Candidates seeking admission to the examination must pay the following fees:

(i) Re. 1 when asking for application form and connected documents.

This amount should be paid to the Commission by money order. Local candidates, however, may pay cash at the counter. The Commission will not accept payment made otherwise.

(ii) Rs. 36.50 (Rs. 8.37 in the case of candidates belonging to Scheduled Castes and Scheduled Tribes) with the completed application form.

No refund, however, will be made if a candidate is provisionally admitted to the examination and subsequently his candidature is cancelled for not fulfilling the condition(s).

4. The Commission may at their discretion remit the prescribed fee where they are satisfied that the applicant is a *bona fide* displaced person from Pakistan or from the unliberated areas of Jammu and Kashmir and is not in a position to pay the prescribed fee. BEFORE SUBMITTING THE APPLICATION CANDIDATES MUST SELECT FINALLY FROM AMONG THE CENTRES GIVEN IN PARAGRAPH 1 OF THE NOTICE, THE PLACE AT WHICH THEY WISH TO APPEAR FOR THE EXAMINATION. ORDINARILY NO REQUEST FOR A CHANGE IN THE PLACE SELECTED WILL BE ENTERTAINED.

2. The enclosed application form must be filled in the candidate's own hand-writing and all answers should be given in words. It should be submitted direct to the Secretary, Union Public Service Commission, Dhoolpur House, Post Box No. 188 New Delhi.

A candidate already in Government service, whether in a permanent or temporary capacity must submit his application through the Head of his Department or office concerned who will, if he considers the candidate eligible for the examination forward it to the Union Public Service Commission with his recommendations *vide* Section "C" of the application form.

Applications from all other candidates, whether in private employment or in Government owned industrial undertakings or other similar organisations can be entertained direct. If such a candidate forwards his application through his employer and it reaches the Union Public Service Commission late, the application, even if submitted to the employer before the closing date, will not be entertained.

A candidate serving in the Armed Forces must submit his application through his Commanding Officer who, if he considers the candidate eligible, will forward it to the Union Public Service Commission with his recommendation, *vide* Section "C" of the application form. Applications of eligible candidates will not be withheld even if the candidate is not recommended. This is, however not applicable to ratings (including boys and artificer apprentices) of the Indian Navy, except special service ratings having less than six months to complete their engagements, who are not eligible to take this examination. Cadets of the Sainik School, Dehra Dun, and students of King George's Schools should submit their applications through the Principal of the School.

No application received by the Commission after the date prescribed in the Notice will be accepted.

3. A candidate who is found to have knowingly furnished any particulars which are false or to have suppressed material information will be disqualified and, if appointed, will be liable to dismissal.

4. A candidate must send the following documents with his application:—

(i) A treasury receipt or CROSSED Indian Postal Orders payable to Secretary, Union Public Service Commission at New Delhi Post Office, for Rs. 37.50 (Rs. 9.37 in the case of candidates belonging to the Scheduled Castes and Scheduled Tribes), but candidates who obtained the application forms, etc., from the Union Public Service Commission on payment of Re. 1/- need send only Rs. 36.50 (Rs. 8.37 in the case of candidates belonging to Scheduled Castes and Scheduled Tribes).

(ii) A Certificate of Age.

(iii) A Certificate of Educational Qualification.

(iv) Two copies of recent passport size photograph of the candidate.

Details of the documents mentioned in items (i), (ii), (iii) and (iv) are given below:—

(i) A treasury receipt or CROSSED Indian Postal Orders for the prescribed fee. The amount may be deposited in the nearest Government Treasury, or in a branch of the State Bank of India, or in a State Treasury authorised to transact business on behalf of Government (amount deposited at Bombay, Calcutta, Delhi or Madras should be deposited in the Reserve Bank of India instead of in the State Bank of India). The Treasury or Bank should be asked to credit it to the account head "XXXVI—Miscellaneous Department, Examination fees. Receipts of the Union Public Service Commission". The name of the examination and of the treasury at which the fee is deposited should

be clearly entered in the treasury receipt. The treasury receipt should be on the form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited. If, however, the blue form is not available in the treasury the ordinary form hitherto employed should be used.

All Postal Orders should bear the signature of the Issuing Post Master and a clear stamp of the Issuing Post Office. All Postal Orders should be CROSSED and made payable to the Secretary, Union Public Service Commission, at New Delhi Post Office. In no case will Postal Orders payable at any other Post Office be accepted. Defaced or mutilated Postal Orders will also not be accepted.

NOTE 1.—Candidates residing abroad at the time of submitting their applications should deposit the amount of the prescribed fee (the equivalent fee of Rs. 37.50 Rs. 9.37 in the case of candidates belonging to the Scheduled Castes and Scheduled Tribes) in the office of India's High Commissioner, Ambassador or Representative, as the case may be, in that country and forward the receipt from that office with the application.

NOTE 2.—AN APPLICATION NOT ACCOMPANIED BY A TREASURY RECEIPT OR CROSSED INDIAN POSTAL ORDERS FOR THE PRESCRIBED FEE WILL BE SUMMARILY REJECTED. This does not apply to displaced persons seeking remission of the fee, *vide* paragraph 7 below.

(ii) A Certificate of Age.—The date of birth ordinarily accepted by the Commission is that entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University which extract must be certified by the proper authority of the University. The expression Matriculation Certificate in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age and it must invariably be sent to the Commission in original with a copy thereof, together with the application.

Sometimes the Matriculation Certificate only shows the age by completed years or completed years and months. In such cases the candidate must send in addition to the Matriculation certificate an original certificate together with a copy thereof from the Headmaster of the High School from where he matriculated showing the date of his birth or his exact age as recorded in the school admission register. An Anglo-Indian or an Indian Christian, may send his original baptismal or birth registration certificate together with a copy thereof instead of the headmaster's certificate.

If the Matriculation or equivalent certificate has not been issued to a candidate he should submit along with his application an age certificate from the Headmaster of the school from where he appeared in the Matriculation or equivalent Examination. Such a candidate will be required to submit his original Matriculation or equivalent certificate before he is admitted to the Military College. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation or equivalent certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. Further they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation certificate and no explanation is offered, the application may be rejected.

NOTE 1.—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

NOTE 2.—CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

NOTE 3.—Displaced persons, who have lost their original Matriculation Certificate in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation Certificate from the University they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

NOTE 4.—Cadets of the Sainik School, Dehra Dun, and King George's Schools must submit a certificate of age from the Principal of the School and no other certificate as evidence of age will be required.

(iii) *A Certificate of Educational Qualification*—Candidates must submit a certificate or diploma in original with a copy thereof, showing that he has one of the qualifications prescribed in the Rules. The certificate submitted must be one issued by the authority (i.e., University or other examining body awarding the particular qualification). If such a certificate or diploma is not submitted the candidate must explain its absence, and submit such other evidence in original as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

Candidates who have appeared or intend to appear at any of the examinations the passing of which would render them eligible to appear at this examination may also apply for admission to the examination. The applications of such candidates will be accepted provisionally and they will be required to furnish proof of having passed that examination as soon as possible and in any case not later than the 1st December, 1959 otherwise candidature will be cancelled.

(iv) *Two Copies of Photograph*—The Candidate must submit two passport size copies of his recent photograph, one of which should be pasted on the first page of the application form and the other copy should be firmly attached with the application form. Each copy of the photograph should be signed in ink on the front side by the candidate.

N.B.—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied by any one of the documents mentioned above without a reasonable explanation for its absence having been given, the application will be summarily rejected and that no appeal against its rejection will be entertained. Any documents not submitted with the application but explanation for absence of which has been given should be sent soon after the submission of the application and in any case they must reach the Commission's office one month before the date of commencement of the examination. Otherwise candidature for the examination will be cancelled.

Candidates are also warned that they should in no case tamper with the entries in the documents submitted by them. Candidates found guilty of tampering are liable to be prosecuted in addition to being permanently debarred from the Commission's examinations and selections and from employment under Government.

THE CERTIFICATES MENTIONED IN PARAGRAPHS 4(ii) AND 4(iii) ABOVE SHOULD INVARIABLY BE SENT IN ORIGINAL. THE COMMISSION DO NOT ACCEPT ONLY COPIES OF THESE CERTIFICATES: WHETHER ATTESTED OR OTHERWISE.

The originals of the certificates forwarded in accordance with paragraph 4(ii) and (iii) will be returned when the result of the application is communicated. CANDIDATES ARE ADVISED TO KEEP ATTESTED COPIES OF THEIR CERTIFICATES BEFORE SUBMITTING THEM TO THE COMMISSION. THE COMMISSION CANNOT RETURN THE CERTIFICATES EARLIER THAN THE DATE OF COMMUNICATION OF THE RESULT OF THE APPLICATION FOR WHATEVER PURPOSE THEY MAY BE REQUIRED: NOR CAN THEY SUPPLY ATTESTED COPIES.

If a candidate has already submitted the certificates required in paragraph 4(ii) and (iii) above in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him, he should mention the fact when submitting his application, and if possible enclose a copy of each certificate. If the certificates are not with the Commission, they should be sent with the application, irrespective of whether the candidate appeared at a previous examination conducted by the Commission or not. If a certificate cannot be submitted with the application, a reasonable explanation for its absence must be given with the application.

5. Candidates may be required at the interview by the Services Selection Board to produce the originals of any documents of which copies have been submitted.

6. A candidate who claims to belong to one of the Scheduled Castes or Scheduled Tribes should submit in support of his claim a certificate in original, in the form given below from the District Officer or the Sub-Divisional Officer or any other officer of the district in which his parents (or surviving parent) ordinarily

reside who has been designated by the State Government concerned as competent to issue such a certificate; if both his parents are dated, of the district in which he himself ordinarily resides otherwise than for the purpose of his own education.

A candidate from the Delhi State may submit such a certificate also from the Additional District Magistrate or the 1st Class Stipendiary Magistrate or the Revenue Assistant.

RULES

1. For the purpose of these Rules—

- (a) "Government" means the Government of India.
- (b) "The Commission" means the Union Public Service Commission.
- (c) "The Service" means the Indian Ordnance Factories Service, Class I, particulars in respect of which are given in Appendices IV and V.

2. A competitive examination for admission to the Service shall be held in India at such time and places as may be prescribed in the Notice issued by the Commission. Every such notice will, when possible, announce the number of vacancies to be filled on the result of the examination.

3. If the examination held under this part of these Rules is a combined examination for the purpose of making appointments to more than one Service or Department, the following provisions shall apply:—

- (a) Any person may apply to be admitted as a candidate for appointment in all or any of these Services or Departments for which he is eligible. If he wishes to compete for appointment in more than one Service or Department, he shall state in his application form which Services or Departments he wishes to compete for, and the order of his preference for them, and in such case only one application form will be necessary and one payment of the fees referred to in rule 14 (and Appendix III) will be sufficient.
- (b) Government shall assign successful candidates to each Service or Department on a consideration of all circumstances including any personal preference expressed by the candidate.

4. A candidate must apply to be admitted to the examination before such date, in such manner, and in such form as the Commission may prescribe.

5. A candidate must be either—

- (i) a citizen of India; or
- (ii) a subject of Sikkim; or
- (iii) a subject of Nepal or of a Portuguese or a former French possession in India; or
- (iv) a person of Indian Origin who has migrated from Pakistan with the intention of permanently settling in India.

NOTE 1.—The appointment of candidates in categories (iii) and (iv) above will be subject to the issue of certificates of eligibility in their favour by the Government of India. The certificate of eligibility in respect of a candidate belonging to category (iv) will be valid only for a period of one year from the date of his appointment beyond which he would be retained in service only if he has become a citizen of India. Certificates of eligibility will not however, be necessary in the case of candidates belonging to any one of the following categories:—

- (i) Persons who migrated to India from Pakistan before the 19th July 1948 and have ordinarily been residing in India since then.
- (ii) Persons who migrated to India from Pakistan after the 18th July 1948 and have got themselves registered as citizens.
- (iii) Non-citizens of categories (iii) and (iv) above who entered service under the Government of India before the commencement of the Constitution, viz., the 26th January 1950 and who have continued in such service since then. Any such person who re-entered or may re-enter such service with break after the 26th January 1950, will, however, require certificate of eligibility in the usual way.

NOTE 2.—A candidate in whose case a certificate of eligibility is necessary may be admitted to the examination and he may also be provisionally appointed subject to the necessary certificate being eventually issued in his favour by Government.

6. (a) No male candidate who has more than one wife living shall be eligible for appointment to any of the Services appointments to which are made on the results of this competitive examination unless the Government of India after being satisfied that there are special grounds for doing so, exempt any male candidate from the operation of this rule.

(b) No female candidate who has married a person having already a wife living shall be eligible for appointment to any of the services appointments to which are made on

the results of this competitive examination unless the Government of India after being satisfied that there are special grounds for doing so, exempt any female candidate from the operation of this rule.

7. On the date prescribed by the Commission in their Notice of the examination issued under Rule 2, a candidate must have attained the age of 20 and must not have attained the age of 25, provided that the upper age limit of 25 will be relaxable upto 30 in the case of candidates who hold substantively permanent appointments at the Ordnance Factories, such relaxation being limited to three examinations only.

Departmental candidates must obtain previous permission of the Head of the Department to appear for the examination.

NOTE.—The upper age limits prescribed above will be relaxable:—

- (i) Upto a maximum of five years if a candidate belongs to a Scheduled Caste or a Scheduled Tribe.
- (ii) Upto a maximum of three years if a candidate is a bona fide displaced person from Pakistan or from the unliberated areas of Jammu and Kashmir. This concession will not, however, be admissible to a candidate who has already appeared at five previous examinations or, in the case of those employed at the Ordnance Factories, at eight previous examinations.
- (iii) Upto a maximum of eight years if a candidate belongs to a Scheduled Caste or a Scheduled Tribe and is also a bona fide displaced person from Pakistan or from the unliberated areas of Jammu and Kashmir. This concession will not, however, be admissible to a candidate who has already appeared at ten previous examinations or, in the case of those employed at the Ordnance Factories, at thirteen previous examinations.
- (iv) Upto a maximum of three years if a candidate is a resident of the former French Settlements which have now become part of India and has been receiving his education through the medium of French.
- (v) Upto a maximum of 4 years if a candidate belongs to the Andaman and Nicobar Islands.

N.B.—Candidates who are admitted to the examination under the age concession mentioned in paragraph 7 above will not be eligible for appointment if, after submitting the applications, they resign from service either before or after taking the examination. They will, however, continue to be eligible if they are retrenched from the service or post after submitting the applications.

SAVE AS PROVIDED ABOVE THE AGE LIMITS PRESCRIBED CAN IN NO CASE BE RELAXED

8. A candidate must satisfy the Commission that his character is such as to make him suitable for appointment to the Service.

9. A candidate must have—

- (a) obtained a degree in Engineering from any University incorporated by an Act of the Central or of a State Legislature in India; or
- (b) passed Sections A and B of the Associate Membership Examination of the Institution of Engineers (India) or have any other educational qualifications, excepting a B.E. degree (Tele-communication) awarded by Indian universities, recognised by that institution as exempting from passing these Sections; or
- (c) obtained an engineering degree of one of the universities mentioned in Appendix I under the conditions prescribed in that Appendix; or
- (d) passed the Honours Diploma examination in Civil, Mechanical or Electrical Engineering of the Loughborough College, Leicestershire, provided the candidate has passed the common preliminary examination or has been exempted therefrom.

NOTE 1.—In exceptional cases the Commission may treat as a qualified candidate a candidate who, though he has not all or any of the qualifications prescribed in this rule, has passed examinations conducted by other institutions of a standard which in the opinion of the Commission justifies his admission to the examination.

NOTE II.—Candidates who have appeared at an examination the passing of which would render them eligible to appear at this examination, but have not been informed of the result may apply for admission to the examination. Candidates who intend to appear at such a qualifying examination may also apply, provided that the qualifying examination is completed before the commencement of this examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case not later than two months after the commencement of the examination.

10. No candidate shall be admitted to the Examination unless he holds a certificate of admission from the Commission.

The decision of the Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

11. A candidate found guilty of impersonation or of submitting fabricated documents or documents which have been tampered with or of making statements which are incorrect or false or suppressing material information or of using or attempting to use unfair means in the examination hall or otherwise resorting to any other irregular or improper means for obtaining admission to the examination, shall in addition to rendering himself liable to a criminal prosecution be debarred either permanently or for a specified period:

- (a) by the Commission from admission to any examination or appearance at any interview held by the Commission for selection of candidates; and
- (b) by the Central Government from employment under the Government.

12. No recommendations except those required in the form of application shall be taken into consideration. Any attempt on the part of a candidate to obtain support for his candidature by other means may disqualify him for admission.

13. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

14. Candidates must pay such examination fees as Government may prescribe (see Appendix III). No claim for a refund of any of these fees will be entertained, nor can they be held in reserve for any other examination or selection.

15. (a) After every examination the Commission shall make a list of the candidates in order of their merit as disclosed by the aggregate marks finally awarded to each candidate, and in that order so many candidates up to the number of unreserved vacancies announced under rule 2 above, as are found by the Commission to be qualified by the examination and are considered by Government or the appointing authority as the case may be to be suitable in all other respects, shall be appointed.

(b) Appointments to vacancies to be filled by members of a particular community or communities shall be made by Government or the appointing authority as the case may be, in the order of merit of the candidates belonging to the particular community or communities, provided they have qualified in the examination and are in all respects suitable for employment in the service.

(c) Success in the examination confers no right to appointment, unless Government are satisfied, after such enquiry as may be considered necessary, that the candidate is suitable in all respects for appointment to the public Service.

16. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his duties as an officer of the Service. A candidate who (after such physical examination as Government or the appointing authority, as the case may be may prescribe) is found not to satisfy these requirements will not be appointed. Only candidates who are likely to be considered for appointment will be physically examined.

In order to prevent disappointment candidates are advised to have themselves examined by a Government medical officer of the standing of a Civil Surgeon before applying for admission to the examination. Particulars of the nature of the physical test to which candidates will be subjected before appointment and of the standard required may be had from the Commission.

(c) On the conclusion of his period of probation, Government will confirm the officer in his appointment. If, however, during or at the end of the period of probation his work or conduct has in the opinion of Government been unsatisfactory Government may either discharge him or extend his period of probation for such period as Government may think fit, provided that before orders of discharge are passed the officer shall be apprised by the competent authority of the grounds on which it is proposed to discharge him and given an opportunity to show cause against it.
